

## Legislative Report for Monday 5-3-2021

Richard Nagel

**The good news is that Friday May 14 is the deadline for all bills without an exemption.**

**For those of you that write or call on bills, these are some of the bills that you helped to kill: SB2, SB10, SB11, SB73, SB102 SB105, SB134, SB300, SB301, AB99, AB255, AB365, AB324, AB285, AB293. This is great work; you really made a difference and Nevada a better place.**

**SB62** This is a cancel culture bill. Its sole purpose is to expose those who donate to political causes. No non-profit is exempt. If you donate to pro-life organizations or the NRA they will know and cancel culture will come after you. **Please call for a no vote on SB62! The NVGOP calls AB62, a must defeat bill!**

**SJR11** This bill is asking Congress to ratify UN treaty. This bill gives the UN sovereignty over US law. Forces prolife countries to be pro-abortion. We already have laws protecting women's rights. Companies need to be held accountable for their sexist behavior for unequal pay under existing laws. **Please ask for a no vote on SJR11.**

**SCR5** Do not be fooled, this is a WOKE culture bill. It calls white racism a systemic problem to be dealt with as a national health crisis. This is a textbook play right out of 1939 Germany. **Please call or write for a no vote on SCR5.**

**AB148** looks like it wants to ensure that the mining company can and will do a proper cleanup after exploration is finished. This is already covered in the existing law. What it changes is that exploration permits can be refused for any reason. **Please call for a no vote on AB148.**

For the full text go to <https://www.leg.state.nv.us/App/NELIS/REL/81st2021/Bill/7477/Text>

**AB19** will have a hearing on May 5 at 1pm before the Committee on Education. This bill removes instruction on government from the home school curriculum. **It adds in programs that can be interpreted as critical race theory.** Home school instructors were not consulted and are against AB19. **Please call for a NO vote against AB19.**

**AB195** will have a hearing on May 5 at 1pm before the Committee on Education (AfterAB19). Sections 1-3 of this bill remove government from the list of subjects included within social studies and adds civics, financial literacy, and multicultural education to that list. **Please ask for a no vote on AB195 as it removes education on government from our schools.**

**AB266** is about reducing class size. Let us face it Nevada is 49th in the nation on education. Nevada class sizes are on a par with national average. Reducing class size is not the answer. Better teaching is. **Please call or write for a no vote against AB266.**

For the full text go to <https://www.leg.state.nv.us/App/NELIS/REL/81st2021/Bill/7261/Text>

**AB146** This is a water pollution bill with very vague language. The question is, if a farmer has run off from his crops with some fertilizer in that runoff, would the fertilizer in the runoff be considered a pollutant, and if so, would that farmer be liable for the cleanup of the runoff? Maybe the same goes for washing your car. Dr. Robin Tutus is against it. **Please ask for a no vote on AB146.**

## Sponsored by Sarah.Peters@asm.state.nv.us

For the full text go to <https://www.leg.state.nv.us/App/NELIS/REL/81st2021/Bill/7475/Text>.

**SB254** Says that a landlord cannot refuse a tenant based on a criminal background. It also prohibits discriminating against sexual offenders or other criminal offense. **Please call for a no vote on SB254 as a landlord should be able to protect their investment against criminal activity or a neighborhood against sexual predators.**

For full text go to <https://www.leg.state.nv.us/App/NELIS/REL/81st2021/Bill/7786/Text>

**SB207** Limits Free Speech and Assembly on the Internet making private online discussion forums with more than 1,000 participants subject to the public accommodation's laws. **Please call or write for a no vote on AB207.**

For the full text go to <https://www.leg.state.nv.us/App/NELIS/REL/81st2021/Bill/7610/Text>

**AB422** Gives control of the voter rolls to the Secretary of State. This bill is sponsored by the Secretary of State. So SB422 is kind of admitting that Barbara Cegavske had no control over the voter rolls. Most people are ambivalent on AB422, but election integrity needs to start with a unifying source and that source should be the Secretary of State's office. **Please call or write for a YES vote on AB422.**

**SB420** is a 40-page monster of a bill dealing with health care. **It sets up an insurance system to compete with Obamacare and provides free health care to illegal aliens. We do not need to expand government or health care in Nevada. Please call or write for a no vote on SB420.**
